**Subject:** Project Construction Notice - Omaha "I" Street, 102<sup>nd</sup> to I-80 Ramp

Construction on the I Street project will temporarily shut down for the winter months by the end of the day Saturday, November 26, 2022. With the winter shut down, I Street from 108<sup>th</sup> to 102<sup>nd</sup> streets will reopen to all traffic at that time. Utility relocation and storm sewer work along the project corridor over the winter months is anticipated within the city's right-of-way.

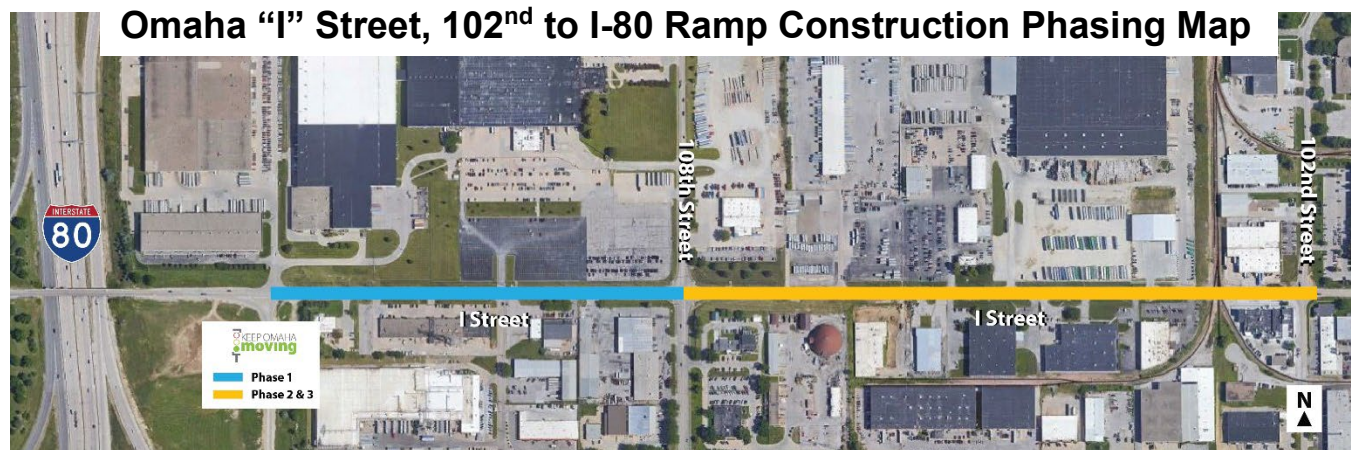

Construction and the next phase of work along I Street between 108<sup>th</sup> and 102<sup>nd</sup> streets is anticipated to resume in April 2023, and we will provide another update once a date has been set to resume work. All work along the I Street project corridor is on schedule to be completed by November 2023.

**For immediate, on-site assistance during construction, please contact Brian Frank with Vrana at 402.268.0475 or [bfrank@vrana.com](mailto:bfrank@vrana.com).** For information, questions, or concerns throughout construction please contact:

Alyssa Vaughan - Public Coordinator  
Phone: (402) 964-3965
