156th Street Pacific St to Wycliff Dr CONSTRUCTION NOTICE

RE: Early Morning Paving Operations

Dear Property Owner or Tenant,

This notice is to inform you the City of Omaha has contracted with TAB Construction Company for the improvement of 156th Street – Pacific St. to Wycliff Dr. Periodically throughout the project, contractors will be constructing new concrete pavement outside normal working hours.

Please be advised the City has authorized the contractors to proceed as needed. The City has asked that workers endeavor to complete this work as quickly as possible to minimize any early morning disturbances. While we anticipate some early morning paving will be necessary, it is expected to only occur periodically throughout this construction season. We are sorry for the inconvenience, but this is necessary to ensure a rapid completion of the project and quality construction.

**TAB Construction will be pouring concrete on Leavenworth Street on Wednesday morning, April 12th starting at 6:30. Concrete placement will be under the current traffic control alignment and no disruption to traffic. This letter is just a notice so residents are aware of the noise starting at 6:30 am.*

Information regarding the project can be found on the City of Omaha's Keep Omaha Moving website:

<https://keepomahamoving.com/projects>

If there are specific questions or concerns regarding this project, please feel free to contact the individuals below:

Brian Doerr	TAB Construction(402) 719-1106
